Potential Valued Sponsor,

As a 2020 Blind Golf Canada (BGC) tournament committee member, I am pleased to announce Victoria Park East and Guelph Lakes Golf and Country Clubs in Guelph, Ontario will host these prestigious BGC championship events in 2020:

Ontario Visually Impaired Golfers (OVIG) Provincial Championship, August 16-18, 2020
hosted at Victoria Park East

ISPS Handa Canadian Open Blind Golf Championship, August 19-21, 2020
hosted at Guelph Lakes

Note: For each event, the first day is a practice round followed by two (2) days of tournament play.

These two events, under the 2020 International Blind Golf Association (IBGA) and BGC, will bring together up to 54 competitors and their sight coaches (108 total) from Canada, the United States and around the world – what a great opportunity for Guelph and the local area!

Sport brings people together - creating hope and inspiring them in a way little else does. Our participants – **completely blind or partially sighted golfers** – need this experience more than ever in order to unite as a unique community. These events create an atmosphere of social connectedness, which leads to betterment of health and mental well-being for those involved.

Without support from our valued sponsors, these BGC championship golf events would not be possible. We have included various value propositions for your consideration and trust that together we will be able to make these events a great success.

On behalf of the participants of the 2020 Canadian and Ontario Provincial Blind Golf Championships, thank you for your anticipated support.
